# WTF is Schedule Builder?

Schedule Builder is a program developed by Gonzaga students for Gonzaga students.

No more late nights decided which section is right for you! Just choose the classes and we will autogenerate all possible schedules for you.

All you have to do is find which schedule works best for you!

Steps

1. Select your subject
2. Add your desired course
3. Select prefered professors
4. Select prefered times
5. Add to schedule

What next?

While you are waiting for your registration you can ejoy a game or 20 of tic tac toe vs a computer! We plan on implementing as many games as possible down the road!

This is where you would be able to download Schedule builder. We have not yet set up a method of downloading, but it is next on our todo list! In the mean time feel free to follow us on GitHub!
